Re: United States v. William Chavis, et al., 13 Cr. 27 (PAE)

Dear Judge Engelmayer:

The Government respectfully requests that the conference currently scheduled in the above-referenced case for September 4, 2013 be adjourned to a date and time that is convenient for the Court during the week of September 16, 2013. The reason for this request is that the Government requires a brief additional period of time to relay to the defendants the results of the Government's internal deliberations concerning their respective requests for non-criminal resolutions of the charges in this case, and to negotiate any potential resolutions of the charges. The Government requests this adjournment in order to allow the Government to resolve these requests prior to setting a motion schedule and trial date in this matter. In the event the Court grants this request, the Government also respectfully requests that, in the interests of justice, the Court exclude time under the Speedy Trial Act, 18 U.S.C. § 3161(h)(7)(A), from September 4, 2013 through the date of the rescheduled conference. I have been advised that counsel for all defendants consent to these requests.

Very truly yours,

PREET BHARARA
United States Attorney
